Each class is limited to 25 people.

June 13 or Aug. 8

Online Seminars via Zoom – 8 a.m. to 5:15 p.m.

Zoom links will be provided to registered attendees one week prior to the respective live seminar.

The self-study portion must be completed prior to attending a live seminar.

A post-seminar case exercise must also be completed.

APhA's Delivering Medication Therapy Management Services presents a systematic approach for developing, implementing, delivering, and sustaining MTM services. The purpose of this certificate training program is to prepare pharmacists to improve medication use through the delivery of MTM services in a variety of practice settings.

Live seminars presented by APhA-certified faculty:

Emily Prohaska

PharmD, BCACP, BCGP

Clinical Pharmacist
Lawrence Memorial Hospital

Amanda Applegate

PharmD, BCACP

Pharmacy Clinical Services Coordinator
Balls Food Stores

Objectives

1. Advance public health and patient care through improved medication use.
2. Provide training to enhance pharmacists' ability to effectively provide MTM services.
3. Motivate increased numbers of pharmacists to establish MTM services.
4. Communicate benchmark practices for providing MTM services.
